ASX RELEASE – SENIOR GEOLOGY APPOINTMENTS

9 June 2009

ASX CODE: RMS

RAMELIUS RESOURCES MAKES SENIOR GEOLOGY APPOINTMENTS

- **Mr Kevin Seymour appointed as Manager Business Development**
- **Mr Rob Hutchison appointed as Senior Underground Mine Geologist**

Ramelius Resources Limited ("RMS") is pleased to announce the appointment of an experienced gold explorationist, Mr Kevin Seymour, to the position of Manager - Business Development and an experienced mine geologist, Mr Rob Hutchison as Senior Underground Mine Geologist.

Mr Seymour is a geologist with 20 years experience in gold exploration including project generation and grass roots exploration through to resource definition. He was responsible for the discovery and delineation of several gold deposits in the Eastern Goldfields of WA and was also a semi-finalist in Goldcorp's Red Lake Gold Mine Global Challenge - 2000. Immediately prior to joining Ramelius, Mr Seymour held the position of Exploration Manager at Glengarry Resources Limited.

Mr Hutchison holds a Masters Degree in geology and has 20 years experience as a mine geologist, having previously held senior geology positions at the Mt Marion, Bullant and Kanowna Belle gold mines all located in the Goldfields of Western Australia.

In announcing the appointments, Ramelius' Managing Director, Mr Joe Houldsworth, said:

"The addition of Kevin and Rob to our senior management team will significantly enhance Ramelius' expertise to identify new projects and successfully develop its high grade Wattle Dam gold mine in Western Australia".
