SALE AGREEMENT - BLACK CAT PROJECT (WA)

The Directors of Ramelius Resources Limited (ASX:RMS) advise that the Company has entered into an agreement with unlisted explorer, Flinders Exploration Limited (FEX), to sell its 90% interest in its non core asset Black Cat project, located 35 kilometres northwest of Coolgardie in Western Australia's Eastern Goldfields.

Under the sale terms, and upon the planned listing on the ASX of FEX (currently the subject of an in-the-market A\$5 million IPO), Ramelius will receive a cash payment from FEX of A\$200,000; 2,000,000 fully paid 20 cent FEX shares and a royalty on any future gold production from Black Cat.

The agreement is subject to FEX successfully listing on the ASX within the next 6 months, and to Ramelius' 10% joint venture partner in Black Cat, JH Mining Pty Ltd, waiving or not exercising its pre-emptive right on the transfer. If JH Mining exercises its pre-emptive right, then Ramelius' 90% interest in Black Cat will be transferred to JH Mining for the cash equivalent of the consideration under the sale agreement with FEX.
