PROXY VOTE IF APPOINTMENT SPECIFIES WAY TO VOTE

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

TRANSFER OF NON-CHAIR PROXY TO CHAIR IN CERTAIN CIRCUMSTANCES

Section 250BC of the Corporations Act provides that if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

RESOLUTIONS CONNECTED WITH REMUNERATION OF KEY MANAGEMENT PERSONNEL

If the Chair is to act as your proxy (whether by appointment or by default) and you have not given directions on how to vote in the voting directions section of the Proxy Form for Resolutions 1, 4 and 5 (inclusive), the Proxy Form expressly directs and authorises the Chair to cast your votes “for” the relevant resolution. This express authorisation is included because, without it, the Chair would be precluded from casting your votes as these resolutions are connected with the remuneration of Key Management Personnel.

Subject to any voting prohibitions that may apply to the Chair in respect of Resolutions 1, 4 and 5 to restrict the Chair from voting undirected proxies, the Chair intends to vote all undirected proxies in favour of Resolutions 1, 4 and 5.

ENTITLEMENT TO ATTEND AND VOTE

The Company may specify a time, not more than 48 hours before the Meeting, at which a “snap-shot” of Shareholders will be taken for the purposes of determining Shareholder entitlements to vote at the Annual General Meeting.

The Company’s Directors have determined that all Shares of the Company that are quoted on ASX at 5:00pm (AWST) on Tuesday 23 November 2021 shall, for the purposes of determining voting entitlements at the Annual General Meeting, be taken to be held by the persons registered as holding the Shares at that time.

ATTENDANCE

The Directors encourage Shareholders to participate in the Annual General Meeting and engage with the Board by:

- lodging a Proxy Form in advance of the Annual General Meeting by submitting their votes by the proxy voting cut-off time of than 11.00am (AWST) on 23 November 2021;

TECHNICAL DIFFICULTIES

Technical Difficulties may arise during the course of the virtual AGM. The Chair has discretion as to whether and how the Meeting should proceed in the event that a technical difficulty arises. In exercising this discretion, the Chair will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge a proxy by 11:00am (AWST) on Tuesday 23 November 2021 even if they plan to attend online.

FINANCIAL STATEMENTS AND REPORTS – PERIOD 1 JULY 2020 – 30 JUNE 2021

The Corporations Act requires the annual financial report, directors' report and the auditor's report (**Annual Financial Statements**) be received and considered at the Annual General Meeting. The Annual Financial Statements for the period ended 30 June 2021 are included in the Company's Annual Financial Report, a copy of which can be accessed on-line at www.rameliusresources.com.au under "Reports and "Annual Reports". Alternatively, a hard copy will be made available on request.

There is no requirement for Shareholders to approve these reports and no vote will be taken on the Annual Financial Statements. However, Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Annual Financial Statements and the management of the Company.

The Company's auditor, Deloitte Touche Tohmatsu, will be present at the Annual General Meeting and Shareholders will have the opportunity ask the auditor questions in relation to the conduct of the audit, the auditor's report, the Company's accounting policies, and the independence of the auditor.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the auditor's report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the Annual Financial Statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 business days before the meeting date to the Company Secretary.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

1.1 Background

Pursuant to Section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the year ended 30 June 2021 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2021 Annual Report. The Annual Report is available on the Company's website at www.rameliusresources.com.au.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2021.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair of the Annual General Meeting will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

1.2 Regulatory Requirements

Section 250R (3) of the Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, sections 250U and 250V of the Corporations Act set out a "two strikes" re-election process, pursuant to which:

- (a) if, at a subsequent annual general meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding annual general meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another general meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company's Directors who were Directors at the time when the resolution to make the Directors' Report was passed (excluding the Managing Director of the Company who may, in accordance with the Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end the Spill Meeting and may stand for re-election at the Spill Meeting.

1.3 Previous voting results

At the Company's 2020 annual general meeting, less than 25% of the eligible votes cast in respect of the 2020 Remuneration Report were cast against the adoption of the 2020 remuneration report. Accordingly, a Spill Resolution will not be put to the Meeting even if 25% or more of the votes cast in respect of the 2021 Remuneration Report are against the adoption of the 2021 Remuneration Report.

1.4 Proxy Voting Restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as	Able to vote at discretion of Proxy

Notes:

- ¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.
- ² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).
- ³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- ⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

1.5 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

2. RESOLUTION 2 – ELECTION OF ROBERT SCOTT VASSIE AS A DIRECTOR

2.1 Background

Mr Robert Scott Vassie was appointed by the Company's Board as a director of the Company on 1 January 2021.

Mr Vassie was appointed a director of the Company by the other directors since the last Annual General Meeting (AGM). Under ASX Listing Rule 14.4, Mr Vassie must not hold office (without re-election) past the AGM following his appointment and under clause 47 of the Company's constitution he is required to retire.

Mr Vassie, being eligible, offers himself for election by members at the AGM. A summary of Mr Vassie's qualifications and experience follows.

Mr Vassie is a mining engineer with 35 years multi commodity and international experience. Mr Vassie spent 18 years with Rio Tinto in global mining and resource development executive roles followed by MD & CEO positions in Ivanhoe Australia and St Barbara Ltd with a focus on executive leadership, resource development and business development including M&A. Mr Vassie served as a board member for the Minerals Council of Australia from 2014 to 2020 where he chaired the MCA Gold Forum and currently serves on the AusIMM Council for Diversity and Inclusion. Mr Vassie was appointed Non-Executive Chair on 1 January 2021.

The Board regards Mr Vassie as an independent non-executive director.

Further details about Robert Scott Vassie are set out in the Company's 2021 Annual Report which is available at www.rameliusresources.com.au.

2.2 Board Recommendation

The Directors (other than Robert Scott Vassie) unanimously recommend that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3 – RE-ELECTION OF MICHAEL ANDREW BOHM AS A DIRECTOR

3.1 Background

In accordance with Listing Rule 14.5 and clause 47 of the Company's Constitution, an election of Directors must take place at every annual general meeting. Listing Rule 14.4 prevents a Director from holding office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

For this reason, Michael Andrew Bohm retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Mr Bohm has been an independent non-executive director of Ramelius since 29 November 2012. He is an experienced mining professional with extensive corporate, project and operational management experience in the minerals industry in Australia, Southeast Asia, southern Africa, Chile, Canada and Europe. He is a graduate of the WA School of Mines and has worked as a mining engineer, mine manager, study manager, project manager, project director and managing director. He has been directly involved in a number of project developments in the gold, base metals and diamond sectors in both open pit and underground mining environments. The contribution of Mr Bohm to the Board is his extensive experience with mining operations and mine development in both Australia and overseas. Mr Bohm is Chair of the Nomination and Remuneration Committee and a member of the Sustainability and Risk Committee. The Board regards Mr Bohm as an independent non-executive director.

Further details about Michael Andrew Bohm are set out in the Company's 2021 Annual Report which is available at www.rameliusresources.com.au.

3.2 Board Recommendation

The Directors (other than Michael Andrew Bohm) unanimously recommend that Shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 – GRANT OF PERFORMANCE RIGHTS TO A DIRECTOR

4.1 Listing Rule 10.14

The Company is proposing to issue up to 442,528 Performance Rights to Mr Mark William Zeptner, the Company's Managing Director, under the Performance Rights Plan.

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition:

- (a) a director of the entity, or
- (b) an associate of a director of the entity, or
- (c) a person whose relationship with the entity or a director or associate of a director is, in ASX's opinion, such that approval should be obtained.

The proposed issue of up to 442,528 Performance Rights to Mr Zeptner falls within Listing Rule 10.14.1 as Mr Zeptner is a director of the Company and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 4 seeks the required approval of Shareholders to issue up to 442,528 Performance Rights to Mr Zeptner under and for the purposes of Listing Rule 10.14.

If Resolution 4 is passed, the Company will be able to proceed with the issue of Performance Rights to Mr Zeptner.

If Resolution 4 is not passed, the Company will be unable to proceed with the issue of Performance Rights to Mr Zeptner and may need to re-negotiate Mr Zeptner's remuneration package to ensure Mr Zeptner is appropriately remunerated for his role as Managing Director of the Company.

If Shareholder approval is obtained under this Resolution 4, the Company intends to issue the Performance Rights to Mr Zeptner on or before 25 December 2021 (being 1 month after the date of the Annual General Meeting) and in any event no later than 25 November 2024 (being 3 years after the date of the Annual General Meeting). The Performance Rights will expire five years after their date of issue.

4.2 Information required by Listing Rule 10.15

In accordance with Listing Rule 10.15, the Company provides the following information to Shareholders in relation to Resolution 4:

The name of the person	Mr Mark William Zeptner

4.3 Listing Rule 7.1

Listing Rule 7.1 provides that, subject to certain exceptions, a listed company may not issue or agree to issue equity securities in any 12 month period that exceed 15% of the number of securities the company has on issue, except with the prior approval of the shareholders of the company in a general meeting of the terms and conditions of the proposed issue.

Listing Rule 7.2, exception 14, provides that Listing Rule 7.1 does not apply to an issue of performance rights under Listing Rule 10.14.

Pursuant to Listing Rule 7.2, exception 14, the effect of passing Resolution 4 will be to allow the Company to issue the Performance Rights to Mr Zeptner without using up the Company's 15% placement capacity under Listing Rule 7.1.

4.4 Chapter 2D of the Corporations Act

The Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies.

The term "benefit" has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the rules of the Plan.

If Shareholder approval is given under this Resolution, the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

Details of Termination Benefit

The Board has discretion to determine, where a participant ceases employment before the vesting or exercise of their Performance Rights, that some or all of the Performance Rights do not lapse.

The exercise of this discretion may constitute a “benefit” for the purposes of section 200B of the Corporations Act.

In addition, a participant may become entitled to accelerated vesting or automatic vesting of the Performance Rights if there is a change of control of the Company. This accelerated or automatic vesting of the Performance Rights may constitute a “benefit” for the purposes of section 200B of the Corporations Act.

The Company is therefore seeking Shareholder approval for the exercise of the Board’s discretions and for the provision of such accelerated or automatic vesting rights in respect of any current or future participant in the Performance Rights Plan who holds:

- (a) a managerial or executive office in the Company (or any of its related body corporate) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Performance Rights under the Performance Rights Plan at the time of their leaving.

The Board’s current intention is to only exercise the above discretion:

- (a) where the employee leaves employment without fault on their part; and
- (b) to preserve that number of unvested Performance Rights as are pro-rated to the date of leaving.

Value of the Termination Benefits

The value of the termination benefits that the Board may give under the Performance Rights Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company’s Share price at the time of vesting and the number of Performance Rights that vest.

The following additional factors may also affect the benefit’s value:

- (c) the participant’s length of service and the portion of vesting periods at the time they cease employment;
- (d) the status of the performance hurdles attaching to the Performance Rights at the time the participant’s employment ceases; and
- (e) the number of unvested Performance Rights that the participant holds at the time they cease employment or at the time the change of control occurs (as applicable).

4.5 Chapter 2E of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

Mr Zeptner is a Director and therefore a related party of the Company. The issue of Performance Rights constitutes giving a financial benefit for the purposes of section 208 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of Performance Rights to Mr Zeptner, as the Board considers the Performance Rights to be reasonable remuneration for the purposes of the exception in section 211 of the Corporations Act.

4.6 Summary of terms of the Performance Rights proposed to be granted to Mr Zeptner

Vesting and measurement period

Under the terms of the Performance Rights Plan (as they apply to the proposed issue of Performance Rights to Mr Zeptner), the vesting and measurement period for the 442,528 Performance Rights proposed to be issued to Mr Zeptner is the three (3) year period from 1 July 2021 to the date that the Performance Rights are proposed to vest, being 30 June 2024.

The vesting of the Performance Rights is subject to:

- (a) Mr Zeptner still being employed by the Company on the vesting date; and
- (b) the performance conditions applicable to the vesting and measurement period having been satisfied.

Performance conditions

The performance conditions require that at the end of the vesting and measurement period, the Company's performance (as defined by actual aggregate total shareholder return ("TSR")) will be assessed against defined targets. If TSR meets the specified criteria, then the Performance Rights will vest. Once vested, the Performance Rights may be exercised within the five year term since their date of issue.

TSR is a measure of return to shareholders as defined by the percentage change in the Company's share price over the vesting and measurement period. TSR is calculated by reference to the volume weighted average price of Ramelius shares traded on the Australian Securities Exchange during the 20 trading days before and including the first trading day of the vesting and measurement period and the 20 trading days up to and including the last trading day of the vesting and measurement period.

The Company's TSR over the vesting period will be calculated and assessed as follows:

- (a) 50% of the 442,528 Performance Rights proposed to be issued to Mr Zeptner under the Performance Rights Plan will vest in relation to their respective measurement periods depending on the Company's TSR assessed relative to the performance of the Company's peers as measured in accordance with the table below.
- (b) 50% of the 442,528 Performance Rights proposed to be issued to Mr Zeptner under the Performance Rights Plan will vest if the Company's TSR over the measurement period is greater than 15% compounded annual growth.

A specific peer group is adopted for the assessment of the Company's relative performance as approved by the Board from time to time for comparison purposes (which includes companies that are engaged in similar activities to the Company and with whom the Company competes for capital and talent). The TSR performance of each company included in the benchmark group will be determined and used to determine the overall TSR of the peer group. Depending on how the Company's TSR compares to that of the peer group will determine the proportion of the Performance Rights that vest, as set out below:

Relative TSR over the vesting measurement period	Proportion of Performance Rights that will vest
Below the 50th percentile	0%
At the 50th percentile	50%
Between the 50th and 75th percentile	Pro-rata between 50% and 100%
At or above the 75th percentile	100%

Performance Rights that do not vest

Any Performance Rights that do not vest because of failure to achieve targeted performance will lapse unless the Board, at its discretion, determines otherwise. No re-testing of targeted performance is permitted.

Rights of grant and transfer of the Performance Rights

The Performance Rights may only be transferred, assigned or otherwise disposed or encumbered with the consent of the Board or by force of law upon death to a legal personal representative or upon bankruptcy to a trustee in bankruptcy. Shares acquired on the exercise of vested Performance Rights may be traded immediately after quotation of the Shares.

Mr Zeptner will be eligible to be issued with one fully paid ordinary Share for each Performance Right that vests.

No payment is required for the issue of a Performance Right. No payment is required for the issue of Shares on exercise of vested Performance Rights.

The conditions of the Performance Rights do not restrict Mr Zeptner from transferring any of the Shares issued on the exercise of vested Performance Rights, or using those Shares as security for a loan, or dealing with those Shares in any other way.

Mr Zeptner will only be entitled to receive dividends, distributions, rights or bonus shares associated with the underlying shares from the time that vested Performance Rights have been exercised and Shares issued. Performance Rights must be exercised within five years from their date of issue, otherwise they will lapse.

Lapse of Performance Rights on cessation of employment

If Mr Zeptner ceases to be an employee of the Company prior to the vesting of the Performance Rights, all unvested Performance Rights at the date of cessation of employment will lapse.

However, subject to a specific agreement with the Board, if Mr Zeptner ceases employment because of death, disability, bona fide redundancy or any other reason with the approval of the Board and at that time Mr Zeptner continues to satisfy any other relevant conditions imposed by the Board at the time of grant, the Board may determine the extent to which Performance Rights granted to Mr Zeptner may vest. If no determination is made by the Board, all Performance Rights held will lapse.

Takeover bids

In the event of a takeover bid for the Company, any Performance Rights granted (or that the Company is contractually obligated to grant) to Mr Zeptner will vest if the Board determines in its absolute discretion that pro rata performance is in line with the performance conditions applicable to those Performance Rights over the period from the date of issue to the date of the takeover bid. Any Performance Right which the Board determines does not vest will automatically lapse.

Reconstruction or winding up

Where:

- (a) a court orders a meeting to be held in relation to a proposed compromise or arrangement in connection with a scheme for reconstruction of the Company;
- (b) any person becomes bound or entitled to acquire shares in the company under section 414 or Chapter 6A of the Corporations Act;
- (c) the Company passes a resolution for voluntary winding up; or
- (d) an order is made for the compulsory winding up of the Company,

then the Board may determine that all or a specified number of the Performance Rights vest where the Board is satisfied that the applicable performance conditions have been satisfied on a pro-rata basis over the period from the date of the issue to the date of the relevant action (e.g. the date of the court ordered meeting, passing of resolution for voluntary winding up etc).

The number of Performance Rights may be adjusted if Shares are issued pro-rata to Shareholders generally by way of bonus issue involving capitalisation of reserves or distributable profits or on any reorganisation.

4.7 Board Recommendation

The Directors (with Mr Zeptner abstaining) recommend Shareholders vote in favour of Resolution 4.

5. RESOLUTION 5 – APPROVAL OF INCREASE TO NON-EXECUTIVE DIRECTOR FEE POOL

5.1 General

Rule 50.2 of the Constitution provides that the non-executive Directors are to be paid out of the funds of the Company as remuneration for their services as non-executive Directors. The 'pool' from which such fees are to be paid accrues from day to day as the Company determines in a general meeting. The fee pool is to be allocated between the non-executive Directors in such proportion and manner as they agree or, if they cannot agree, equally.

In accordance with rule 50 of the Constitution (and Listing Rule 10.17, see below), it is proposed that the maximum aggregate remuneration which may be paid to the Company's non-executive Directors be increased from AUD \$750,000 to a maximum sum of AUD \$1,000,000 per annum (an increase of by AUD \$250,000), to be allocated between them in such proportion and manner as the Board agrees.

The increased limit will not apply to the executive Directors of the Company.

The reasons for requesting the increase to the maximum aggregate remuneration for non-executive directors are as follows:

- (a) the Board considers that the proposed increase to non-executive Directors' aggregated remuneration is commensurate with market remuneration paid to non-executive Directors at equivalent ASX-listed companies in terms of growth and market capitalisation and is necessary to retain and attract appropriately qualified non-executive Directors to the Company;
- (b) the current limit maximum aggregate remuneration limit of AUD \$750,000 was last approved by Shareholders on 22 November 2019;
- (c) the Board anticipates an additional non-executive Director may be needed in the future and wishes to ensure the aggregate remuneration limit can accommodate the remuneration for an additional non-executive director; and
- (d) the Company does not intend to allocate the full amount of the maximum aggregate remuneration immediately. It is expected that the increase would be sufficient for a period of at least two years.

If Resolution 5 is passed, the Company will be able to increase the remuneration paid to its non-executive Directors up to the new maximum aggregate sum of AUD \$1,000,000 per annum.

If Resolution 5 is not passed:

- (a) the Company will be unable to increase the remuneration paid to non-executive Directors commensurate with market remuneration paid to non-executive Directors at equivalent ASX-listed companies. This may affect the Company's ability to retain the most appropriately qualified non-executive Directors; and
- (b) the Company may need to consider the issue of a greater number of Shares, options or Performance Rights to its non-executive Directors to appropriately remunerate those Directors for the services they perform for the Company.

5.2 Listing Rule 10.17

Pursuant to Listing Rule 10.17, the Company is required to seek Shareholder approval in order to increase the maximum aggregate remuneration payable to its non-executive Directors.

In accordance with Listing Rule 10.17, the Company provides the following information to Shareholders:

The amount of the increase	The Company is proposing to increase the maximum aggregate remuneration payable to its non-executive Directors by AUD \$250,000.

Details of any securities issued to a non-executive director under Listing Rule 10.11 or 10.14 with approval of Shareholders at any time in the preceding 3 years	The Company has not issued any securities to any of its non-executive Directors in the preceding three years.
